We held our fourth Camp Villages on Jul 28 with 35 kids attending. Many thanks for the volunteers who helped with this event. This was the final Camp Villages for 2016. The Club hosted nearly 170 kids this year during the Camp Villages sessions

Despite the warm weather, the Monday morning shoots will continut through the summer. Any new shooters who need help can come to the range during these shoots and get some help.

The club has sent an eMail to all of our female members asking for input as to what needs to be done to get more participation among our female members. There were only about 12 replies with some good suggestions. This will be further persued this fall. Please eMail with any suggestions.

As a reminder, the only way you can join the Archery Club or renew your dues is at a club meeting. Dues for new members are \$25. Dues for members who renew their membership will be \$10. We do not accept payment given to other persons or mailed in. You must be present at a meeting to pay your dues.

As many of you know, we have yellow club shirts that we wear at club events or when we participate in competitions. The club logos are done on our shirts by Custom Apparel, which is located in the Southern Trace Shopping Center. Club hats are also available.

As a reminder, if you move a target in any of the target positions from 1 through 12, it is your responsibility to return the target to its standard position before you leave the range. The standard positions are as follows:

Targets 1 - 3 are set at 60 yards  
Targets 4 – 6 are set at 50 yards  
Targets 7 – 9 are set a 40 yards

There was a lengthy discussion again regarding archery room security. The door has been found unsecured several times and it is felt that persons who are not members are using the room and using club equipment. And it is also felt that non club members may have the combination. Several options were discussed tonight, including swipe cards, villages ID scanner, membership cards with colored stickers, etc. No action was taken tonight

### **Show & Tell**

Show & Tell tonight was a discussion aimed at our new shooters. The discussion revolved at the next steps to take after you decide that you want to participate. Session will be facilitated by Frank Skvarek.
