Old Business:

We will be saying "Goodbye" to Dee Steinheiser this month, as he is moving to Pennsylvania the end of this month. Dee you have been a great friend and asset to our club and we will miss you.

New Business:

We have five (5) new Recurve Bows for the Club. They are all about 20# and each is equipped with a sight. If you use these bows DO NOT remove the sights if you are just going to shoot Barebow.

On Thursday of this week (14 February) we will host the Second of three Learn To Shoot Clinics. These are the biggest club events we host each year and they require a lot of club support to make them successful. Volunteers should arrive at the range at 7:30AM to help set things up. The event starts at 9:00AM and runs until noon. Lunch will be provided for club members at the conclusion of the event.

We will host our next tournament on Saturday, 16 February when we will shoot a NFAA Indoor Round. We will need volunteers to:

Run the Line: Rich Powers

Registration: Rachel Burge, Ken Hamann, Regina Clymans

We will not have a work party on Thursday, 14 February to set up the range for this tournament due to the Learn To Shoot Clinic on that day. We will set-up the range at 7:30AM on Saturday.

We have developed a new Inventory System for club equipment and the check-out procedures for that equipment. Rod will explain

The Villages will host its annual Outdoor EXPO, which will be held the weekend of 23 & 24 February. There is only one location for the Outdoor EXPO this year and that is the La Hacienda Recreation Center. The club has a booth and shooting target at the event. Mary Ann will run this event. Mary Ann let us know where you are.

We will host three sessions of Camp Villages this summer; 13 June, 11 July, and 8 August. We need someone to volunteer to run these sessions. Will someone volunteer?

Our annual Fun Shoot will be held on Saturday, April 13 at Paradise Range. Details will be soon forthcoming,

Our Winter Handicap League is running smoothly. Jeff, do you have anything you want to tell us about the League?

On occasion, users go out behind the targets to look for arrows when the range is empty of shooters. We will be looking for a way to notify newly arriving shooters that the range is not clear of people and not safe to shoot. Kathy Rocchio and Ann Grossman will head the effort to make our range safer.

We have created a link on our homepage to the Classified page of our web site. This will allow members to list items they might have for sale.

We have developed a new Target Rotation Policy. This policy is in affected now. Jeff will explain. We have also ordered 500 Waterproof 122cm targets at a cost to the club of nearly \$2,000. These targets cost us about \$4.50 each, so use them wisely. Let me explain when it is correct to put a NEW 122cm Target on the target butt.

We again need cardboard in the Target Room. If you have some, especially large sheets, please bring them to the range.

The 15th of every month some members of the Club meet at the Spanish Springs Town Center for a social gathering. Everyone is invited to attend. Mary Ann gets there around 6:00PM and is holding a flag. Try and wear something yellow or archery related.

We are asking everyone to pick-up trash that is left around the range such as old targets, plastic water bottles, etc.

We has purchased Club pins and they are available for \$1.00 each. Bob, show us the pins.

The Club Library is a very extensive collection of Archery books, CD, and video tapes that are available to all club members. Jim Murray is our club Librarian and he will be happy to check out any of this material to you to take home and enjoy.

As a reminder, the only way you can join the Archery Club or renew your dues is at a club meeting. Dues for new members are \$25. Dues for members who renew their membership will be \$10. We do not accept payment given to other persons or mailed in. You must be present at a meeting to pay your dues.

As many of you know, we have yellow club shirts that we wear at club events or when we participate in competitions. The club logos are done on our shirts by Custom Apparel, which is located in the Southern Trace Shopping Center. We also have Club Hat available.

As a reminder, if you move a target in any of the target positions from #1 through #9, it is your responsibility to return the target to its standard position before you leave the range. The standard positions are as follows:

- a. Targets 1 - 3 are set at 60 yards
- b. Targets 4 – 6 are set at 50 yards
- c. Targets 7 – 9 are set a 40 yards

The club's Web Page is up and running. You can visit the web site at:

For the Show & Tell tonight I will talk about what I think are the five (5) most common reason why we miss our shots.
