

# **Time for our Fun Shoot**

## **Saturday the 7th of April 2018**

### **The "Snowbird Showdown" or "A Merry Band of Archers"**

**A fun shoot comprising of teams of 4 shooters shooting barebow i.e. No sights, releases etc.**

**Each team player will have only 4 arrows to be shot alternately i.e. Archer A shoots 1 arrow then steps back for archer B to shoot 1 arrow and so on through the team until all arrows have been shot**

**When all the teams arrows have been shot and the team score recorded the teams will then move to the next target i.e. Lane 1 goes to lane 2, 2 to 3, 3 to 4 etc. and the last lane moves to lane 1.**

**We will have the targets clearly marked as to what points can be earned. Each team will be given a score card to record their score on that target. The score sheet will be numbered 1 to 7. The intention is to keep it very simple and uncomplicated. Each team shoots goes to the target and record their score. Then moves to the next target.**

**In the case of a dartboard the team must shoot a double before scoring and in the case of the set of Billiard Balls they must be shot in consecutive number order i.e. 1 first then 2 and so on.**

**The team with the highest score will be the winners.**

**We need to get a sign up sheet so we can make up the teams.**

**There will be some inappropriate silly prizes for the winning team but better still there will be either pizza or other good stuff with desert ( I hope ! )**

**All in all it is intended to be a fun social event for all to enjoy.**
