**New Business:**

On Thursday of this week (17 February) we will host the first of three Learn To Shoot Clinics. These are the biggest club events we host each year and they require a lot of club support to make them successful. According to the Paradise Recreation Center this event is completely booked out, which means we will have over 50 Villages residents attend. Volunteers should arrive at the range at

7:30AM to help set things up. The event starts at 9:00AM and runs until noon. Lunch will be provided for club members at the conclusion of the event.

A problem exists regarding recurve finger tabs. We have purchased tabs several times and they keep disappearing. Please be conscious of this and if you are using finger tabs from the shop. Please return them so others can use them.

We will host our next tournament on Sunday, 27 January when we will shoot a Vegas Round. We will need volunteers to:

Run the Line ..... Ken Hamann

Registration ..... Jim Murray, Rachel Burge, Priscilla Skinner

We will have a work party on Thursday, 22 January, at 9:00AM to set up the range for this tournament.

Rod Burge outlined the procedures to be followed for club members to take equipment from the Paradise range to use at the Dudley Range. Also mentioned was that borrowed equipment should be returned prior to special events such as learn to shoot clinics so there will be enough equipment for participants to use. This procedure will soon be posted on our web site.

Next month many of us, including all of the Club officers, will be gone from 17-24 February on a Cruise. During this time, The Villages will host its annual Outdoor Expo, which will be held the weekend of 23 & 24 February. There is only one location for the Outdoor Expo this year and that is the La Hacienda Recreation Center. The club has a booth and shooting target at the event and we need someone to orchestrate & coordinate our participation there. Mary Ann Hartman will coordinate this event.

We started our archery classes at The Villages Middle School on 10 January. We only have 8 students but that is due to our late entry into the program this year. A schedule will be made up for volunteers.

Jeff Wiseman gave a brief recap regarding the winter Handicap league.

We have bought a new Metal Detector for use by Club Members in finding arrows at the range. Charlie Wilson gave a presentation on it's use which is on our web site under Garrett Metal Detector

Norm Sosin is now running the archery activity for the Recreation Dept. at the Paradise Range in the afternoons. Norm gave a recap regarding changes in the program.

No updates on the social scene

We are no longer in need of any cardboard in the target room, so don't bring more until further notice.

The 15th of every month some members of the Club meet at the Spanish Springs Town Center for a social gathering. Everyone is invited to attend. Mary Ann gets there around 6:00PM and is holding a flag. Try and wear something yellow or archery related.

We are asking everyone to pick-up trash that is left around the range such as old targets, plastic water bottles, etc.

Bob Slrek has purchased Club pins and they are available for \$1.00 each. Ken, show us the pins.

The Club Library is a very extensive collection of Archery books, CD, and video tapes that are available to all club members. Jim Murray is our club Librarian and he will be happy to check out any of this material to you to take home and enjoy.

As a reminder, the Only way you can join the Archery Club or renew your dues is at a club meeting. Dues for new members are \$25. Dues for members who renew their membership will be \$10. We do not accept payment given to other persons or mailed in. You must be present at a meeting to pay your dues.

As many of you know, we have yellow club shirts that we wear at club events or when we participate in competitions. The club logos are done on our shirts by Custom Apparel, which is located in the Southern Trace Shopping Center. We also have Club Hat available.

As a reminder, if you move a target in any of the target positions from #1 through #9, it is your responsibility to return the target to its standard position before you leave the range. The standard positions are as follows:

- a. Targets 1 - 3 are set at 60 yards
- b. Targets 4 – 6 are set at 50 yards
- c. Targets 7 – 9 are set a 40 yards

The club's Web Page is up and running. You can visit the web site at: <http://villagesarcheryclub.com/>.

We won't have a Show & Tell tonight because of our "Flea Market", which will be open at the close of the meeting.
