We hosted a 900 Round on 5 Jun. We had a small turn-out with 26 Shooters. Thanks to everyone who worked the tournament.

We held our first Camp Villages on June 9 with 40 kids. Next Camp Villages will be on July 7. Charlie will send out a sign up sheet for this event. Paradise has advised that there is no more room for more kids on this date, so we will need over 20 volunteers.

New Business:

We have received four new Genesis bows. Three right handed and one left handed. These bows are available for use and will go up to 40 lbs draw weight. The draw weight is marked on the bows. These bows are set up with sights.

The Club Library is a very extensive collection of Archery books, CD, and video tapes that are available to all club members. Bruce Hansen is our club Librarian and he will be happy to check out any of this material to you to take home and enjoy. Jim Rosenmeyer will coordinate the library for June and July.

The door combination has been changed due to a possible security issue. The membership has been notified via eMail. The procedure for shop security was reviewed for the benefit of all.

Congratulations to all of the club archers who competed and medaled in the Florida Sunshine Games this past weekend.

Blair was approached at the FAA State Tournament and asked why we don't do tournaments in July and Aug. Blair asks that we discuss this at the June meeting to see if it might be something we could do. No action was taken on this at this time.

As a reminder, the only way you can join the Archery Club or renew your dues is at a club meeting. Dues for new members are \$25. Dues for members who renew their membership will be \$10. We do not accept payment given to other persons or mailed in. You must be present at a meeting to pay your dues.

As many of you know, we have yellow club shirts that we wear at club events or when we participate in competitions. The club logos are done on our shirts by Custom Apparel, which is located in the Southern Trace Shopping Center. We also have Club Hat available.

As a reminder, if you move a target in any of the target positions from 1 through 12, it is your responsibility to return the target to its standard position before you leave the range. The standard positions are as follows:

Targets 1 - 3 are set at 60 yards
Targets 4 – 6 are set at 50 yards
Targets 7 – 9 are set a 40 yards
