Daylight Saving Time ended on 4 November. According to our club practice, we will now begin our Monday Morning Shoots at 10:00AM.

We continue to have complaints about our charging Non-Residents and extra \$10 for registration at our tournaments. Let me again explain this issue and try to also explain what the impact of this policy has been to our tournament attendance by Non-Residents. Discussion followed and things will remain as they are. \$20 entry fee for non residents.

It was also voted to reduce the entry fee for the youth and young adult age groups to \$10. And the maximum fee for a family would be \$50.

We want to congratulate members who won medals at The Florida State Target Championships, held last month in Ft. Lauderdale.
