

## The Villages Archery Club Summer League Update

We have 22 Members that have responded regarding participating in a summer archery league.

20 of those responded yes

1 Responded Maybe

1 Responded No

5 Responders wish to start in June, including the person that said No

17 Responders would like to start in May

We need to have an even number of teams, so we now have 4, however 4 more shooters will give us six!

We plan to make the schedule for shooting your rounds even more forgiving than the Winter League, if that is possible. So if you have travel plans, or if it interferes with your golf game or swim meet, don't worry

We are shooting 20 yards so everyone can join us. This is a good way to improve your skills and beginners can get help from their team mates and other club members.

Cost to join us will be same as winter league, only \$10. And all the money collected will be given out at the end of the league, same as the winter league.

We will shoot the NFAA indoor 5 spot target. The back side of that target is a larger 1 spot, which can also be used, at the shooter's discretion.

Scoring for this target will be from NFAA rules.

The distance for this target is 20 yards.

We will shoot 12 rounds (weeks).

In order to accommodate as many folks as possible, even those with travel plans, if you cannot make a Monday morning club shoot, do a verified make up round. It is preferred to shoot rounds in Advance, as I cannot do next weeks pairings unless this week is completed!

We will need 6 verified rounds to establish a handicap. You can start that at any time. Put the cards in the club house and we will collect them. This must be done before we can establish teams, and obviously we cannot start League Shoot until Teams are established. If you participated in summer League 2018 we can use those results unless you changed significantly, better or worse.

Target Start Date Monday May 13 (5 weeks)

Once League Shoot has started, and if you are doing a "Makeup" round or "Shoot Ahead" round:

Before you start shooting, you must claim it is a "verified" round to the club member doing the verifying, and mark the scorecard for the Monday week the round is for. Have the "verifying" club member initial the scorecard.

# SCORING

We will score using modified NFAA rules. NFAA uses X's as tiebreakers. In league, we do not use them as tiebreakers. Handicaps will be based on 300. Accuracy on the scorecard is important! Please be sure it is marked correctly.

No X?

- X's first
- Then 5s
- Then 4s
- Then 3's
- Then 2's
- Then 1's
- Then 0 or miss
