Effective immediately, new and returning members must renew in person at a club meeting. Mail-in membership was only permitted in response to COVID.

Effective immediately, it is **not** permitted to go down range when other people are shooting; even if 10 or more lanes separate the shooters. Failure to adhere to this policy could jeopardize the club's NFAA Certification. Failure to adhere to this policy is in direct violation of Rec Department rules. Please contact club President Rod Burge if you have any questions or wish to discuss this safety policy.
