

# May Board Meeting

Status on VP

Thoughts on our Hybrid meeting

- Everyone's thoughts **The board agreed that the meeting went very well.**
- Looking for another mic for audience

Items I think the Board needs to talk about or consider (examples):

**Rod expressed a desire to hold a Holiday Party at a Rec Center. Planning will start shortly.**

- COVID outside back to 100%, we need to start a rebuilding program
  - Club brochure has been updated - complete
  - Monthly Newsletter (more on this) **Maureen is working on getting this started.**
  - What else
- “Get to Know Your Club Members” or “Meet Your Club Members” or “Shooter of the Month”
  - Ken Hamann developed strawman
  - Maureen will lead
- How do we increase overall involvement?
  - How can we make things more interesting and fun?
  - Should we hold more Fun Shoots so less experienced shooters can participate?
