

Everyone,  
Next Monday July 5th will be the Monday before our next club meeting and as usual we will hold a board meeting.

Let's meet at my house 2-4pm.  
792 Baisley Trail  
Village of Bonita

We have 3 main topics so I'm not creating an agenda.

1. Larry Boyd Memorial bench
2. Next Fun Shoot
3. Report on meeting with John Rohan and changes/improvements for the club

*Rod Burge*

1. Larry Boyd Memorial Bench - The history of the bench is difficult to track down. Club members say it was placed at the Paradise Range by the Rec Dept. The Rec Dept says it is not one of their benches. The issue is that the current bench has broken. Negotiations are underway to repair/replace the bench. The club may need to fund this.
2. Next Fun Shoot – Scheduling conflicts prohibit a fun shoot for the month of July. Next fun shoot is scheduled for Sat, Aug 21<sup>st</sup>
3. John Rohan Meeting – Lots of changes for the better in store mostly for the Dudley Range. Ron provided details and will go into it in depth at the next general membership meeting.
