The Villages Archery Club

The Lake of the Woods Tournament is coming up this Saturday, March 16. It will be held at the Paradise Range and starts promptly at 9:00 a.m..

For those not familiar with this tournament, we will be offering two formats:

- 1) Traditional format: 10 targets, at 5 yard increments from 20 to 65 yards. Target faces change based on the distance and each end is 3 arrows. We will go through the course twice, for a total of 60 arrows.
- 2) Intermediate format: 5 targets, at 5 yard increments from 20-40 yards. Target faces change based on distance and each end is 3 arrows. We will go through this set of targets a total of 4 times.

You can pre-register [HERE](#).

Thanks,
Paul
