The Villages Archery Club

Silver Springs Archery Club 3-D League

I will be hosting a 3-D archery league at the Silver Springs Archery Club, in Silver Springs, FL. The league will be divided into two halves, and run from April thru June, and July thru September. Archers will need to post two 15 target scores per month in order to compete in the league.

Silver Springs Archery Club is open to the public on Thursday evenings starting at 5 PM during Daylight Savings time. Non- members will shoot on the first and third Thursdays of the month, with the second and fourth Thursdays will be rain dates. Non-members will have four Thursdays per month to shoot two 15 target scores. Whereas members of Silver Springs Archery Club have the opportunity to shoot at their convenience, any day of the month. All score cards must be verified by another league member.

This league will use a handicap scoring program to level the playing field for different shooting classes and equipment. Each registered shooter will be assigned shooting stakes, based on their equipment. Verified scorecards will be texted or emailed to me for entry into the database.

Silver Springs Archery Club members will pay \$10.00 to participate in the 3-D league. Non-members of the Silver Springs Archery Club will pay

\$20.00 to participate in the 3-D league and will also be charged a \$10.00 fee, per visit to shoot the 3-D targets. The \$10.00 per visit non-member fee is to pay for target maintenance and/or replacement. All of the membership money collected will go to awards. Pay down would be 50% for 1st, 30% for 2nd, 20% for 3rd.

Summary of the 3-D League costs;

Non-members would pay \$20.00 to join and \$10.00 per visit fee to shoot the 3-D targets. There will be six scheduled shooting dates per half season, totaling \$60.00. If a non-member shot all six scheduled dates on each half, the cost of joining the league would be \$140.00 (\$60 + \$60 + \$20). For members of the Silver Springs Archery Club 3-D league club, their annual membership costs \$100.00 (family membership is \$150.00), and a \$10.00 registration fee, (\$100 + \$10). There is no fee for members to shoot the 3-D targets.
