Membership Renewal **The board decided to allow a grace period. This item is now closed**

- Last month we decided no changes to current process. If a member fails to renew, he/she will have to pay the new member fee next time they want to join the club.

- Once we go back to renewals only accepted at Rec Center meetings, I feel we should give a couple month grace period if snowbird is unable to return by March and notifies the membership chair. Everyone's Thoughts?

Arrow hunting. Susan Rifkin will arrange an informal hunt at the Dudley Range.

Items I think the Board needs to talk about or consider (examples):

- Target Face usage is minimal due to target room being locked and officer management of target faces.
  - During summer shoots each participant was given their own target face to use each week. Should we adopt this policy for current and future leagues? It was agreed that this is a good idea.
- Our club web site needs to define the club as established for use by Residents of The Villages. Under normal conditions (non COVID) Tournaments are open to non-residents. Charlie to add something to club website.
- We may need to start a rebuilding program
  - Club brochure needs to be updated. Rod to discuss at Feb 8<sup>th</sup> club meeting to get a volunteer.
- How do we increase involvement?
- How can we make things more fun, increase involvement?
- Develop Fun Shoots

- Last month we thought it would be good to interview members to learn interesting info about their past careers and publicize. Rod to discuss at Feb 8<sup>th</sup> club meeting to get a volunteer.

**Additional items discussed:**

- Rod needs help setting up his email process to get access to the club email. Charlie will give him a hand.
- Rod/Charlie will investigate obtaining a paid zoom account so we are not limited to 40 minute meetings.
