Targets

If you can shoot tight groups PLEASE shoot different targets each time at the range

Starting the first of each month on Monday mornings (at Paradise) we rotate target faces from 12 o'clock, to 3 o'clock, to 6, to 9.

PLEASE when you come to the range abide by the target face position on Lanes 1-9. KEEP THEM WHERE THEY ARE

If you move a target to a different yardage, PLEASE return it to the yardage label on the column at the shooting lane. Remember – Archery 101 requires the instructors to move Targets to 10 yards – Help the instructors by moving the targets back to the correct position.
