Tournament scoring committee report

Rich Pickles & Mike Rocchio lead a committee of Jim Murray, Barry McNulty, Norm Sosin, to brainstorm scoring alternatives

- The Jan 21st Vegas was announced as a test of Flight Scoring
- Alternative scoring methods are:
 - Flight Scoring
 - Current scoring with bow shooting styles in 10 yr. age brackets
 - Two different tournaments at the same time by splitting the range
Traditional 60,50,40 & 50,40,30 or 40,30,20 or 30,20,10
(hard to manage)
 - Fun type shoots only

Status/Updates on Paradise & Dudley Ranges

Paradise: Ray

Dudley: Roy

Villages Recreation events are highlighted in the Daily Sun Rec News published on Thursdays. Club members are allowed to use the ranges during these times ONLY if there are ranges available. These events are only at 20 yards.

There was a discussion regarding the value of tournaments vs fun shoots. Since COVID, our tournament attendance has dwindled to the point where there is very little

competition. On the fun shoot side, we are seeing more interest in this type of event. An rsvp survey will be sent out soon to ask the Club members what kind of club they want. Do we want a club that encourages competition at a high level or do we want to have more fun events, or a combination of both.

Archery Club Holiday Party

Blair & Barb Peterson House

Wednesday, 11 January, 2023 @ 6pm

Signup sheet was passed around and Charlie Campney will send club email announcement with electronic signup.

Targets

If practicing on target face other than what's currently on target, Please Do Not put your practice target face on top of current target face and damage 2 target faces. Drop it down or remove it until you're done practicing.

If you can shoot tight groups PLEASE shoot and BEAT UP different targets each time at the range

Each Monday morning (at Paradise) we rotate target faces from 12 o'clock (first Monday of month), to 3 o'clock, to 6, to 9.

PLEASE when you come to the range abide by the target face position on Lanes 1-9. KEEP THEM WHERE THEY ARE

If you move a target to a different yardage, PLEASE return it to the yardage label on the column on the shooting lane. Remember – Archery 101 requires the instructors to move Targets to 10 yard line – Help the instructors by moving the targets back to the correct position.
