## Club Liability Insurance & Non-Profit Status

Frank Capone, attorney at law gave us a presentation on how we as a club can protect ourselves from potential liability if there is an injury at the range resulting from someone using Club equipment. His recommendations are as follows:

- 1 Immediately start using waivers at events and activities
- 2 Incorporate the Club
- 3 Obtain liability insurance

These steps will soon be investigated and acted upon. In the meantime, Club equipment will not be available.

Club bows RB16 and RB20 are missing. If you have signed them out or borrowed them, please return them to Paradise.

## Targets

If practicing on target face other than what's currently on target, Please do not put your practice target face on top of current target face and damage 2 target faces. Drop it down or remove it until you're done practicing.

If you can shoot tight groups please shoot different targets each time at the range

Starting the first of each month on Monday mornings (at Paradise) we rotate target faces from 12 o'clock, to 3 o'clock, to 6, to 9.

Please when you come to the range abide by the target face position on Lanes 1-9. **KEEP THEM WHERE THEY ARE**

If you are shooting league or other type target

Remove Rec Dept. target

Put up your target

When finished reinstall Rec Dept Target

If you move a target to a different yardage, **PLEASE** return it to the yardage label on the column on the shooting lane. Remember – Archery 101 requires the instructors to move Targets to 10 yard line – Help the

instructors by moving the targets back to the correct position.
