Last month we established a Social Committee and Jane Knoeck and Maureen McQuade are our Co-Chairpersons. Jane or Maureen do you have anything on schedule you would like to announce? No action yet for scheduled activities except for a few impromptu events.

Our 2017 Winter Handicap League will begin on January 9. If you wish to participate you need to get some scores posted for the 600 Round, so a handicap can be established for you. You can get these scores by attending the Monday Morning Shoots. Jeff Wiseman runs this league and gave a recap about how the league will function. A sign up link will be sent to all members.

The Club Library is a very extensive collection of Archery books, CD, and video tapes that are available to all club members. Jim Rosenmeier is our club Librarian and he will be happy to check out any of this material to you to take home and enjoy. Our new Librarian for 2017 will be Jim Murray. Since there have been several books that have not been returned, it was decided to raise the fee to \$20. Bring back the book and get your \$20 back. It was also decided to deny membership renewal's to those who haven't returned their books. Currently there are seven members who have books for over a year.

We have a new Ram Arrow Spine Tester for use in our shop. It is located on the wall over the arrow cutter. The users manual has been posted on the web site and there will soon be a video on the web site showing how to use it.

As a reminder, the ONLY way you can join the Archery Club or renew your dues is at a club meeting. Dues for new members are \$25. Dues for members who renew their membership will be \$10. We do not accept payment given to other persons or mailed in. You must be present at a meeting to pay your dues.

As many of you know, we have yellow club shirts that we wear at club events or when we participate in competitions. The club logos are done on our shirts by CUSTOM APPAREL, which is located in the Southern Trace Shopping Center. We also have Club Hat available.

Tonight at Show & Tell, there was a lengthy question and answer period regarding how to help some of the newer shooters. A lot of suggestions were offered by the attendees. This effort will be a work in progress and will continue to be discussed next month.

The club's Web Page is up and running. You can visit the web site at:
