**Old Business:**

We hosted a 900 Round on 18 November and 29 shooters participated. We also hosted another 900 Round on 8 December and shooters attended. Thanks to everyone who worked the tournament.

**New Business:**

We will host our next tournament on Sunday, 27 January when we will shoot a Vegas Round. We will need volunteers to:

Run the Line Ken Hamann

Registration Jim Murray, Pris Skinner, Linda Reed, Rachel Burge

We will have a work party on Thursday, 24 January, at 9:00AM to set up the range for this tournament.

There was a discussion regarding practice rounds and coaching at tournaments. Our range is an NFAA sanctioned range and we abide by their rules regarding running tournaments. At our tournaments, there will always be two practice ends, and any coaching that is distracting to other shooters is not allowed. Spectators will be expected to stay back and not be on the paved surface beneath the shelter.

Holiday Party will be held at Blair's residence on Sunday, Jan 6. Details will be out in another email to the club.

At our 14 January 2019 club meeting we will have elections for the offices of Club President and Vice President. Anyone who is interested in one of these positions can enter their name in nomination tonight or at any time between now and the 14 January meeting. Nominations can be made tonight or sent to our Secretary, Charlie Campney. As of now, we have two candidates for President: Blair Peterson and Dave Van Nice. For Vice President we have one nomination: Rod Burge. Do we have any more nominations from the floor?

President:

Vice President:

After a lengthy discussion regarding Club equipment at Paradise being taken to the Fenney range, it was decided that the officers will offer a management plan at the January meeting for approval or disapproval.

We want to congratulate members who won medals at The Florida State Senior Games, held last week in Clearwater.

We are in need of volunteers to help with the Archery inThe School program. More info will be sent in another email to the Club, and the fingerprint and school forms are on the web site to be printed.

Jeff Wiseman discussed the upcoming Winter league. Info was sent to the Club this past week. Sign up on our web site.

Last Thursday at our work party we had members from The Villages Metal Detectors Club come to the range and look for lost arrows. They recovered over a dozen, so look in the shop to see if any of your arrows are there in the "Lost Arrows" bin. Also, it has been suggested that we might want to buy a better metal detector for our club use. Charlie Wilson has some specifics on this.

Maureen McQuaid briefly discussed our Facebook group. We now have over 130 members that have jopined. A childs tee shirt will be given to the fifth member to join the group.

Mary Ann Hartman was recognized for the many years facilitating The Villages Recreation archery programs at the Paradise Range. Norm Sosin and his helpers will be taking over these duties

Remember, at our next meeting we will have an "Archery Club Flea Market", so bring whatever you have to sale to that meeting.

We are asking everyone to pick-up trash that is left around the range such as old targets, plastic water bottles, etc.

Bob Sirek has pordered new Club pins and they are available for \$1.00 each. Ken, show us the pins.

The Club Library is a very extensive collection of Archery books, CD, and video tapes that are available to all club members. Jim Murray is our club Librarian and he will be happy to check out any of this material to you to take home and enjoy.

As a reminder, the ONLY way you can join the Archery Club or renew your dues is at a club meeting. Dues for new members are \$25. Dues for members who renew their membership will be \$10. We do not accept payment given to other persons or mailed in. You must be present at a meeting to pay your dues.

As many of you know, we have yellow club shirts that we wear at club events or when we participate in competitions. The club logos are done on our shirts by Custom Apparel, which is located in the Southern Trace Shopping Center. We also have Club Hat available.

As a reminder, if you move a target in any of the target positions from #1 through #9, it is your responsibility to return the target to its standard position before you leave the range. The standard positions are as follows:

- a. Targets 1 - 3 are set at 60 yards
- b. Targets 4 – 6 are set at 50 yards
- c. Targets 7 – 9 are set a 40 yards

The club's Web Page is up and running. You can visit the web site at:
