We held our third Camp Villages on Jul 7 with 55 kids. Many thanks for the volunteers who helped with this event. Next Camp Villages will be on July 28 . Charlie will send out a sign up sheet for this event. Paradise has advised that there is no more room for more kids on this date, so we will need over 20 volunteers.

Despite the warm weather, the Monday morning shoots will continut through the summer. Any new shooters who need help can come to the range during these shoots and get some help.

We have received four new Genesis bows. Three right handed and one left handed. These bows are available for use and wil go up to 40 lbs draw weight. The draw weight is marked on the bows. These bows are set up with sights.

The door combination has been changed last month due to a possible security issue. The membership has been notified via eMail. The procedure for shop security was reviewed for the benefit of all. It was suggested that we replace the target room locks with combination locks just like the equipment room. We will check with The Villages for their OK before we do that.

As a reminder, the only way you can join the Archery Club or renew your dues is at a club meeting. Dues for new members are \$25. Dues for members who renew their membership will be \$10. We do not accept payment given to other persons or mailed in. You must be present at a meeting to pay your dues.

As many of you know, we have yellow club shirts that we wear at club events or when we participate in competitions. The club logos are done on our shirts by

Custom Apparel, which is located in the Southern Trace Shopping Center. Club hats are also available.

As a reminder, if you move a target in any of the target positions from 1 through 12, it is your responsibility to return the target to its standard position before you leave the range. The standard positions are as follows:

Targets 1 - 3 are set at 60 yards

Targets 4 – 6 are set at 50 yards

Targets 7 – 9 are set a 40 yards

Show & Tell

There was a lengthy discussion after the meeting regarding different types of bows and equipment. Several bows were present to show different styles. Norm Lewis, Rod Burge, Jane Knoeck and Dee Steinheiser hosted a question and answer period during this time.

The club will make an effort in the near future to get our female members more involved in the sport. Much of the discussion was about this.
