#### MVP Athletic Club

The Archery Club has partnered with MVP to offer corporate rates to our members. The survey that was sent out indicated that nearly 20 members were interested. One of the stipulations is that at least ten members enroll. Currently, there has only been one member that has taken advantage of this. If less than ten members enroll, we will lose this benefit. More info on our web site.

We are inundated with cardboard for target patches. We appreciate our members bringing cardboard to the range for patches, but the target room isn't big enough to store much. If what you bring won't fit in the wooden bin, please don't leave it.

Regarding the summer league, those of you who have shot in past NFAA tournaments already have 20 yard scores that can be applied to calculating your handicap. Scores of past tournaments are on the web site.

Cruise?? We already have 7 or 8 couples that have made reservations. Details on web site.

Presentation following the meeting by Jim Scheer regarding shooting methods. His presentation is on our web site.
