Old Business:

We want to remind everyone about our Target Face Rotation Policy. Each Monday of the month the target faces on targets 1 – 9 are rotated clockwise. If you shoot on these targets, DO NOT place the targets in the center of the target butt.

Last Month we introduced our new Equipment Sign Out Procedure. Rod, will you briefly review this procedure?

New Business:

We will host a Fun Shoot on Saturday, 6 April, from 3:00 to 5:00PM. This is a good time to come out and enjoy some fun shooting and socializing with other club members. Ken Hamann & Joan Quinzani will host the event. Ken will you explain the format?

On Thursday of this week (14 March) we will host the last of our Learn To Shoot Clinics. These are the biggest club events we host each year and they require a lot of club support to make them successful. Volunteers should arrive at the

range at 7:30AM to help set things up. The event starts at 9:00AM and runs until noon. Lunch will be provided for club members at the conclusion of the event.

We will host our next tournament on Saturday, 16 March when we will shoot a NFAA Indoor Round. We will need volunteers to:

Run the Line-Paul Pierro

Registration-Steve Cummings, Dick Geuss

We will not have a work party on Thursday, 14 February to set up the range for this tournament due to the Learn To Shoot Clinic on that day. We will set-up the range at 7:30AM on Saturday.

We sent out a notice earlier in the month asking everyone to please be aware to talking and distracting other shooters on the shooting line. If you wish to carry on a conversation, please step back away from the shooting line when other are still shooting.

The Villages Senior Games (Archery) will be held on Saturday, 20 April. We will shoot a 900 Round. You must register for these Games through The Villages. Registration forms are available in any Rec. Center and must be turned in or mailed to La Hacienda Rec. Center. We also sent out an email last week with a link to the registration forms. The Club runs the tournament but The Villages does the registration.

At the meeting last month we talked about safety issues at the range, when people were downrange looking for arrows. Kathy and Ann have looked into this and they have some ideas to present to us. It was approved to purchase a banner to string between the uprights on a single lane to warn shooters that the range is temporarily closed while others are hidden behind the targets looking for arrows

Our Winter Handicap League is running smoothly. Jeff, do you have anything you want to tell us about the League?

Summer League. There is a link on our home page to register for a 20 yard handicap league to be starting in May or June. More info soon on this event

We had three club members win Florida State Indoor Championships last week. Congratulations to Jim Scheer, Mary Ann Hartman, and John Gauger.

Norm Sosin runs the Rec. Dept. weekly shooting at our Paradise Range and gave a recap of these events. Norm is in need of help doing these sessions. Even if you know little about archery, you can be of help to Norm.

Nothing new from the social committee.

At the April Meeting, most of the officers will be out of town, so after a brief business meeting there will be a repair clinic. Bring your arrows and that need repair and get some help

The 15th of every month some members of the Club meet at the Spanish Springs Town Center for a social gathering. Everyone is invited to attend. Mary Ann gets there around 6:00PM and is holding a flag. Try and wear something yellow or archery related.

We are asking everyone to pick-up trash that is left around the range such as old targets, plastic water bottles, etc.

We has purchased Club pins and they are available for \$1.00 each. Bob, show us the pins.

The Club Library is a very extensive collection of Archery books, CD, and video tapes that are available to all club members. Jim Murray is our club Librarian and he will be happy to check out any of this material to you to take home and enjoy.

As a reminder, the only way you can join the Archery Club or renew your dues is at a club meeting. Dues for new members are \$25. Dues for members who renew their membership will be \$10. We do not accept payment given to other persons or mailed in. You must be present at a meeting to pay your dues.

As many of you know, we have yellow club shirts that we wear at club events or when we participate in competitions. The club logos are done on our shirts by Custom Apparel, which is located in the Southern Trace Shopping Center. We also have Club Hat available.

As a reminder, if you move a target in any of the target positions from #1 through #9, it is your responsibility to return the target to its standard position before you leave the range. The standard positions are as follows:

- a. Targets 1 - 3 are set at 60 yards
- b. Targets 4 – 6 are set at 50 yards
- c. Targets 7 – 9 are set a 40 yards

The club's Web Page is up and running. You can visit the web site at:
