Meeting Minutes

Date: 12 November 2012

1. The meeting was called to order by President Blair Peterson at 6:00 PM. Four (4) officers, nineteen (19) members and four (4) guests attended this meeting.
2. John Ferris gave the Treasurer's Report.
 - Last month's balance was \$3,589.76
 - This month's balance is \$3,616.16 after adjustments for income (\$30.00) and expenses (\$3.60)
3. Old Business
 - Dillon Burns (The Villages' Recreation Department) informed the Club (Blair) that he will be ordering new target cores and matts next week when the annual funding term begins. Dillon also plans to replenish our supply of arm guards, foam and fire ant killer. Speaking of fire ants, the range was sprayed last month. This spraying will be done on a repetitive schedule and it may require temporary closure of the range.
 - Bill Southwick is the Range Meister for this month. The Range Meisters for the next five (5) months are:

| | |
|------------|--------------|
| ✓ December | Jeff Wiseman |
| ✓ January | Carl Frank |
| ✓ February | Wally Krull |
| ✓ March | Mike Indian |
| ✓ April | Roy Hardin |
 - At last month's meeting the construction of new target frames was discussed. The prototype was designed and built by Larry Boyd and can be seen on lane #8 at the range. The members present at that meeting unanimously agreed that the Club should construct the new stands and that The Villages Recreation Department should be approached to explore the possibility of their purchasing the material.

Blair reported that the Recreation department has agreed to purchase the lumber and hardware. Larry Boyd agreed to "champion" to project. It is anticipated that the stands will be constructed by the Club in the January – February 2013 time period.
4. New Business
 - The Club will be hosting a Classic 900 Round Invitational Tournament on Sunday, 25 November. Willie Kuecker volunteered to run the line and Jim McCauley volunteered (with additional help) to handle the registration duties.

A "Work Party" was scheduled on Friday, 23 November at 9:00 AM to prepare the range for the Tournament.

It was mentioned that Gary Musch had volunteered to purchase and bring drinks and snacks to the range for sale at the Tournament.
 - The members present unanimously accepted Norm Lewis as the new Vice President of The Archery Club. As discussed at the last meeting, Norm had agreed to serve as acting President during Blair's absence during the summer months.

The suggestion was unanimously accepted.
- Lake Weir Middle School has asked the Club to demonstrate archery during their “Hunger Games” event. Dee Steinheiser, Charlie Zelonis, Sylvan Peterson and Tom Hart volunteered to support this request
- Blair reported that the Villages Middle School after school archery program is going to continue after all. Volunteers are needed to support this activity.
- It was announced that the Club’s supply of medals needs to be replenished. Various ideas to add information such as the date and score to the medals were discussed. Ken Woolley (Ken was instrumental in purchasing the Club’s last supply of medals) was asked to do a little research regarding the options and costs and to report his findings to the membership at the next meeting.
