1. The **2014 Winter Handicap League Shoots** are in their 9th week and things are going well. Jeff will you give us an update on the League Shooting?
2. We will host an **International Round Tournament** on, **Saturday, 15 March**. We will need a **work party** to set-up the range for the International Round and I propose we do that on **Thursday, 13 March**, at 9:00AM. We need **volunteers** for Registration and someone to run the line. Do we have any volunteers?
Run the Line
Registration Mary Ann, Keith,

3. Our next **Resident Clinic**, will be held on Thursday, 20 March at 9:00AM. As of now we have only 26 Residents signed up for this event. The Villages **Outdoor Expo will be held on 29 -30 March**, so our attendees at the **3 April session** will come from people who attend the Expo. The club will handle the registration for this session only. The Paradise Rec. Center will handle the registration for 20 March session. These Clinics are our main source of new club members and they are important to our club. At each clinic we will be able to accommodate up to 68 residents by shooting two people at a time using an A & B Line on all 17 of our shooting positions. Like last year, we will only hold one session at each of the scheduled dates. This is a very labor intensive activity for our club and we will need at a minimum at least 20 club members at each session. I will pass around a **sign-up sheet** for the two remaining dates and I ask you to volunteer for one or both of these sessions, if you have not already done so.
4. The **2014 Archery Program at The Villages Middle School** began on Thursday, **9 January and will run through 15 May**. We were just paid \$1,232.50 by the Middle School for Classes are held since January. We need volunteers to help with the remaining classes. I will pass around a **sign-up sheet** for volunteers to sign-up, if you have not already done so..
5. The **combination to the shop has been changed** and the old combination will no longer work. Dale Karch has found an automatis deadbolt that will lockitself after 30 seconds. The new lock will be installed soon.
6. **Daylight Savings Time** began **9 March**. Accordingly, our Monday Morning Shoots will then begin at 9:00AM **NOT** 10:00AM. The Monday Morning Shoot will begin 9:00AM.
7. **Arrows and Bows** are provided for use by our members who don't have their own equipment. However, recently, some members have not been careful in the use of this equipment. The **ONLY** arrows that should be used are the ones in the arrow box located on the left side of the shop, as you enter the door.
8. As a reminder, the **ONLY** way you can join the Archery Club or renew your dues is at a club meeting. We are no longer accepting payment given to other persons or mailed in. **You must be present at a meeting to pay for your dues**.
