The 15th of every month some members of the Club meet at the Spanish Springs Town Center for a social gathering. Everyone is invited to attend. This months will be this Friday at Spanish Springs.

Our 2020 Winter Handicap Leagues will begin on January 13, 2020. During this League we shoot a 600 Round at 40, 50, and 60 yards. Please start posting your 600 Rounds scores so we can start off with good handicap data. Info will be send via email.

At last month's meeting we talked about also holding a 20 Yard Handicap League, which would be shot on the NFAA Indoor. If we also held the 20 Yard Handicap League, how many people would be interested in shooting in both Leagues? How many would only be interested in shooting in one league or the other. There is some interest in shooting both formats

Alachua Farm & Lumber Visit Nov 23rd. Details to come

Due to items disappearing from the target room at Paradise, the board may consider some method of limiting access to that room to make it more secure.

We are asking everyone to pick-up trash that is left around the range such as old targets, plastic water bottles, etc.

We have purchased Club pins and they are available for \$1.00 each.

The Club Library is a very extensive collection of Archery books, CD, and video tapes that are available to all club members. Jim Murray is our club Librarian and he will be happy to check out any of this material to you to take home and enjoy.

As a reminder, as a new member you can join the Archery Club at a club meeting. Dues for new members are \$30. Dues for members who renew their membership will be \$15. We do not accept payment given to other persons or at the archery ranges.

As many of you know, we have yellow club shirts that we wear at club events or when we participate in competitions. The club logos are done on our shirts by Custom Apparel, which is located in the Southern Trace Shopping Center. We also have Club Hat available.

As a reminder, if you move a target in any of the target positions from #1 through #9, it is your responsibility to return the target to its standard position before you leave the range. The standard positions are as follows:

Targets 1 - 3 are set at 60 yards

Targets 4 – 6 are set at 50 yards

Targets 7 – 9 are set at 40 yards

Targets 10 - 12 are set at 20 yards
Targets 13 - 17 are set at 10 yards
