## **The Villages Archery Club**

As I mentioned in the last meeting, the current Electronic voting process was not consistent with the timelines in our bylaws. While we were updating it, we also took the opportunity to restructure it to make the roles and steps a little clearer.

The “draft” updated process is located on our website [HERE](#). Please review and let us know if you have any suggestions or comments by submitting this [Contact Us FORM](#).

Thank you,  
Paul
